Annual Bull Sale

MARCH 3, 2024 • 4:00 PM

Dear Cattlemen

Welcome to our 2024 Annual Bull Sale and thank you for considering Freouf Angus! I hope this catalog finds all of you well. We are definitely excited about our offering of bulls this year, and equally excited that you are here!

Our vision continues to be to grow an honest bull that will go out and work in our Sandhills environment. This goal has always been extremely important to us. Our fall bulls are grown on summer grass to help ensure the longevity of the bull. Our feed program is a modest one, with the idea that we grow the bull to his full potential without creating problems. What you see is what you will get, we don't believe in covering up flaws with fat. We strive to grow bulls that hold up for our customers and continue to be in use in your herd for many years. The bulls have had Angus GS testing completed, unless otherwise stated, to ensure accuracy of the bulls EPDs. All bulls have been semen checked, scrotal measured, vaccinated against foot rot, and come with a 90 day breeding season guarantee.

If you are looking to put honest quality into your herd, we encourage you to take a look at Freouf Angus. Stop by any time to view the bulls prior to the sale. We will be holding a preview of the bulls, Saturday, March 2nd, starting at noon. Sale day is Sunday, March 3rd. We look forward to seeing you at the sale!

Sincerely

Adam & Christy Freouf
